

SOCIAL PROCUREMENT FRAMEWORK

THE BIG ISSUE WOMEN'S WORKFORCE

The Women's Workforce has worked with various government sectors to suit their supply chain needs and in particular are able to accommodate buyers within the Victorian Government to help meet their Social Procurement Framework (SPF) targets.

Employing TWW will fulfill a number of the Victorian Government SPF objectives including providing opportunities for Victorians with a disability, supporting women's equality and safety and offering opportunities for disadvantaged and marginalised people.

- Opportunities for Victorians with a disability**
- Women's equality and safety**
- Sustainable Victorian social enterprise business sectors**

- Opportunities for disadvantaged Victorians**
- Supporting safe and fair workplaces**
- Sustainable Victorian regions**
