

# KIDS COVER COMPETITION!

We are calling on all artists aged 15 and under, to get creative and help us design a very special cover for *The Big Issue* – celebrating **Earth Day 2026!**

Show us what you love about our beautiful planet, and your artwork could be seen all around Australia – supporting our vendors, who sell the magazine.

The winning artist will also receive a grand prize: a **\$300 voucher for art supplies**, thanks to **Eckersley's Art and Craft**, plus a **gift bag** from our friends at **Wilderness Society**!

Here are some ideas to get you started:

- Oceans, forests, jungles and deserts
- Nature: Australian flora and fauna, your favourite wild animal
- Beautiful trees, plants, flowers
- Wildlife warriors – people planting trees, recycling, helping animals and making the planet a better place!

Send us your artwork by  
**Monday 16 March**
